JULY 16, 1949

Listening to a play back of his current Capitol Records winner "Lora-Belle-Lee" is disk star Johnny Mercer, and a gal who might very well be "Lora-Belle-Lee." Long one of the nation's top recording stars, Johnny has consistently proved his popularity with music operators via a string of well established song hits. Among his current hot ones in addition to "Lora-Belle-Lee" are "Candy Kisses", "The New Ashmolean", "I've Been Hit" and "Baby, It's Cold Outside", the latter with thrush Margaret Whiting. Aside from his many recording dates, Johnny is kept quite busy with his songwriting, being one of the more accomplished authors in the music business via more than 250 published tunes. Johnny Mercer is exclusively featured on Capitol Records.

THE CASH BOX exclusively covers the coin machine industry, including operators, jobbers, distributors and manufacturers, and all those allied to automatic coin operated music equipment; automatic coin operated vending machines and service machines as well as all coin operated amusement equipment; the music and record business, recording artists and pub-

lishers of music; and all others in any fashion identified or allied to the coin operated machine industry as well as all finance firms, banks and other financial institutions expressly interested in the financing of coin operated equipment of all types.

THE CASH BOX has been recognized by various associations of coin machine operators thruout the United States as their official weekly magazine.

THE "C. M. I. BLUE BOOK," also known as "The Confidential Price Lists," gives prices of all new and used coin operated machines of all kinds, weekly reporting all market changes and continually adding on all new equipment. The "C. M. I. Blue Book" is officially recognized by many cities and states thruout the country as the "official price book of the coin machine industry." It is an integral part of *The Cash Box*. The "C. M. I. Blue Book" is used in settlement of estates, in buying, selling and trading of all coin operated equipment. It is the one and only officially recognized price guide in the coin machine industry. The "C. M. I. Blue Book" is used by finance firms, factors and bankers to guide them in making loans to the members of the coin machine industry.

Talking It Over

The NAMM (National Association of Music Merchants) will meet at the Hotel New Yorker in New York City beginning Monday morning, July 25 to Thursday evening, July 28. Due to general conditions this will probably be one of the very best attended conventions ever yet held under NAMM auspices. The average dealer, it is reported, looks forward to this convention with much hope.

At the same time there will be many representatives of large juke box ops present who are also owners of some of this country's best record retailing establishments. In addition to these men there will be those juke box and coin machine operators who are also record distributors. And many of these distributors are recognized among the very largest in the nation—as record distributors—as well as coin machine men.

It is therefore extremely interesting to *The Cash Box* to be present at the NAMM show for this show should bring forth much that will prove of extremely good value to the many coin machine men who are so closely identified with the record business and who will want to know what went on, what was shown, and what the promise of the future holds for all engaged in selling records.

It is a well known fact (and well brought out by many leading record manufacturers, as well as in the March of Time's picture, "In The Groove") that the juke box record business is today considered the "sales stabilizer" of the diskeries. Therefore, *The Cash Box* will be present to help bring this even more to the fore than ever before.

Many record retailers thruout the country are subscribers to *The Cash Box* because *The Cash Box* charts and reviews have proved invaluable to them and have also brought forth just what new disks the juke box ops are buying so that the average leading retailer prepared himself for calls from the listeners to the juke boxes in his area.

The juke box op is the most daring pioneer in the record business. He is among the very first to instantly buy a new disk. Not only that, but his phonos and wired music systems exploit and promote the new records.

The juke box industry grows ever closer to the NAMM shows. It will therefore prove of great interest to all concerned with the juke box field to know what was shown and said at this forthcoming NAMM show.

Cooperation

Everyday it is becoming more apparent thruout the entire industry that the one and only way in which the nation's operators will be able to enjoy profitable operating today, as well as in the years to come, will be only thru close cooperation with each other.

This recessive backward slide which has affected the nation's economy, and which has brought about unemployment and therefore loss of sales to many of the country's retailers, has also affected the coin machine operators.

When the retailers are losing business, it is only natural that the coin machine operator loses business. The traffic thru the average retail outlet is what produces an average number of players based on the number of people passing thru the store. With less people entering retail stores, less play results.

Therefore the nation's coin machine operators, whether featuring music, amusement or merchandisers, are today up against the problem of how to continue in business profitably, regardless of the fact that they are enjoying somewhat less patronage than they formerly did.

There is only one answer to this problem. It does not concern itself with the price of the machines only. Even if the price was to drop on certain makes of machines this still would not bring more patrons to the equipment. Therefore, as stated before, it is not solely price.

Much more it is arranging for "front service money" as well as a better percentage commission basis. This is happening wherever operators have organized themselves and have agreed to cooperate with each other for each other's better welfare.

The one overall answer then to all problems now confronting the trade is simply cooperation. Without this vital necessity the operator cannot enjoy profitable operating. He simply must cooperate with his fellow operators to assure himself a decent livelihood and a better business.

Even if operators do get together and do agree to adopt a uniform "front money service guarantee" as well as a better percentage commission basis, if they do not cooperate with each other, that is if they do not hold to this agreement, then the agreement

simply becomes a scrap of paper, a wisp of conversation, has no meaning and, once again, all are back where they started.

The entire matter of profitable operating for today and for the future (and any operator who enjoys a profitable business is a better buyer so that the distributors and manufacturers thereby also profit) is for close, unyielding, loyal cooperation to exist between operators in each area in the nation.

In those centers where such cooperation does exist operators are enjoying good business. Regardless of whether they operate games, music or merchandise vendors, as long as they make a mutual arrangement to obtain front service money and a better commission basis and stick to this agreement (cooperate with each other in every sense of the word) then there is no earthly doubt that they will continue to enjoy good business and be among the better customers of the distributors and manufacturers.

The overall picture of the industry today resolves itself down to this one simple logical business fact—that cooperation must exist between operators in each village, each city, each town, each territory, if the operator wants to enjoy a profitable business and assure his future welfare.

The average operator today must realize that when he cooperates with his fellow operators he is helping not only himself, but his family. He is assuring his wife and his children that they will enjoy many advantages which he never enjoyed. This alone should cause each operator to make it his business to arrange for close cooperation with all his fellow operators.

And only if each operator will resolve to cooperate with his fellow operators in each area (leaving personal likes and dislikes fall by the wayside) then will he enjoy the sort of profitable business he has always dreamed about, and the industry, too, all its members in every division, will enjoy a better, sounder, more solid business.

"I Wish I Had A Wishbone" (2:56)

"There's Yes! Yes! In Your Eyes" (2:51)

KAY STAR
(Capitol 57-681)

● Thrush Kay Starr at the mike with a pair of hot ones in this offering of "I Wish I Had A Wishbone" and "There's Yes! Yes! In Your Eyes." Top deck is a new tune that is stirring up loads of talk in the disk biz. It's a mellow bright number, handled by Kay in her usual superb manner. The flip is a current hot one that should be well known to music ops. This rendition by Kay is tops. Ops should get with this disk.

"The Crickets" (2:44)

"More Moon" (2:50)

WOODY HERMAN ORCH.
(Capitol 57-682)

● Orkster Woody Herman on deck with some new wax, with the sounds of "The Crickets" and "More Moon" coming at music ops. Both sides are styled in the progressive music manner of the Herman ork, and altho not in the commercial vein, they might win some favor with the crowd who go for this type of music. Top deck has the maestro and Mary Ann McCall knocking out a weird item, while the flip a straight instrumental tune features the ork going thru their paces. Wax won't stop traffic.

"You're Heartless" (2:52)

"I Never Knew" (2:34)

MARJORIE HUGHES
(Columbia 38524)

● Thrush Marjorie Hughes into the vocal limelight, with a tremendous ballad that seems certain of winning a ton of juke box coin in the near future. Titled "You're Heartless," Majorie really shines on the side as she delivers a wonderful bit of vocal work on this teeming romantic item. The flip, "I Never Knew" is an oldie that should be well remembered. This rendition should continue to keep the song a top-notch standard. We go for the top deck—we're sure you will to.

"The Galloping Comedians" (3:07)

"Swiss Lullaby" (3:00)

GENE KRUPA ORCH.
(Columbia 38520)

● Orkster Gene Krupa on deck with a new pair, with the musical refrain of "The Galloping Comedians" and "Swiss Lullaby" seeping thru the wax. Top deck is a unique arrangement of a classical piece. This rendition, offered with loads of flourish by the Krupa band should certainly cause loads of tongue wagging in the music biz. It's a modern adaptation of a polka tune, with the band going all out on the side. The flip, "Swiss Lullaby," gets novel treatment here, as the gang join to offer a cute side. Top deck might take off.

DISK OF THE WEEK

"Be Goody Good Good To Me" (2:42)

"Don't Ever Marry For Money" (2:27)

EVELYN KNIGHT
(Decca 24655)

EVELYN KNIGHT

● Chirp Evelyn Knight comes up with another great one in this sensational recording titled "Be Goody Good Good To Me." It's a song that is sure to start a chain reaction of top juke box play throughout the nation. Widely popular since a string of widespread successes with a bevy of song hits,

Evelyn seems sure to retain her immense popularity via this platter. Ditty is a mellow up tempo item, offered in wonderful happy time. Evelyn's vocal spot on the side is top drawer material from start to finish. The gal has that lilt in her pipes that makes you want to sing right along with her. Fond hand clap in the background, coupled with the harmony of the Four Hits and A Miss, and the orchestrated patterns of the Sonny Burke orchestra, all go toward making this platter the grade A piece of music it is. On the flip with another happy bit, Evelyn and the vocal combo keep the wax hot via another cute item in this side tagged "Don't Ever Marry For Money." Lyrics make for splendid listening pleasure, as does the entire recording. We're putting our money on the top deck—it rates a top spot in ops machines!

"Minsan Lamang" (3:06)

"Rumbasia" (3:15)

XAVIER CUGAT ORCH.
(Columbia 38516)

● Music styled in the Xavier Cugat manner, and the set-up of "Minsan Lamang" and "Rumbasia." Top deck is a Philippine folk song, with Del Campo offering the tender vocal refrain in adequate manner. Ditty is a lover's lament and makes for excellent listening pleasure. The coupling is medium tempo'd rhumba tune that should be greeted warmly by Cugat's many fans. Ops who have the spots that go for this brand, might take a look-see.

"Single Saddle" (3:00)

"Ev'ry Night Is Saturday Night" (2:48)

ELLIOT LAWRENCE ORCH.
(Columbia 38522)

● Pair of fair enough sides by the Elliot Lawrence ork turn up here in this coupling of "Single Saddle" and "Ev'ry Night Is Saturday Night." Top deck, with piper Jack Hunter wailing the lyrics is a cute bit of wax whirling about the title. Ops should know this side since it has been around. The flip, with the band displaying some great instrumental wares, has a vocal group on tap to offer a pleasing bit of music in "Ev'ry Night Is Saturday Night." The college spots should go for the disk.

"It's A Great Feeling" (2:40)

"Fiddle Dee Dee" (2:38)

SAMMY KAYE ORCH.
(RCA Victor 20-3484)

● Pair of tunes from the Warner Brothers film "It's A Great Feeling," and the musical set up of the title tune and "Fiddle Dee Dee" in the offing for music ops. Both sides are happy items that roll along in smooth, mellow tempo. It's cute stuff that is easy to listen to, and should be greeted warmly by the host of Sammy Kaye's fans. Top deck, with the vocal refrain by the Kaydets and a choir is the better of the pair. Ops should listen in.

"I'll Keep The Lovelight Burning" (3:04)

"All Year 'Round" (2:57)

BILL LAWRENCE
(RCA Victor 20-3489)

● Some smooth romantic wax by balladeer Bill Lawrence, with "I'll Keep The Lovelight Burning" and "All Year 'Round" headed ops way. Top deck is a cinch to score with music ops and fans alike. Bill's enchanting refrain of this ballad should meet with wide favor. The flip, in the same vein is a fair enough tune, effectively performed throughout the recording. Ork backing on the pair isn't too striking, but it does round out the platter adequately. Top deck is the better of the pair.

"There's Yes! Yes! In Your Eyes" (3:05)

"Baby Talk" (2:23)

TONY PASTOR ORCH.
(Columbia 38521)

● Maestro Tony Pastor pops up with a winner in his rendition of that rapidly rising hit oldie "There's Yes! Yes! In Your Eyes." Vocal refrain by Tony and the band, coupled with the smart instrumental patter, makes this disk a hot one for the phonos. Tony's nasal tones make for extremely infectious listening and should be greeted warmly by his many fans. The flip is another cute item with Tony shining in the vocal spot again on this bright romantic item. Top deck should go.

"Now That I Need You" (2:41)

"There's No Getting Away From You" (2:48)

FRAN WARREN
(RCA Victor 20-3482)

● Some fresh wax by Thrush Fran Warren, and the vocal splendor of "Now That I Need You" and "There's No Getting Away From You." Both tunes are excellent ones that should prove to be top notch juke box winners. Top deck, from the Paramount flicker "Red, Hot & Blue" is sure to be a favorite in the very near future. It's a smartly styled romantic ballad, handled superbly by Miss Warren's scintillating vocal refrain. The flip turns out to be another great tune, with the comely lyrics of this ballad ringing true from start to finish. Both sides are sizzling hot—get 'em.

"And It Still Goes" (3:04)

"Fiddle Dee Dee" (2:56)

JIMMY DORSEY ORCH.
(Columbia 38523)

● Long missing from the phono spotlight, maestro Jimmy Dorsey comes with a pair of fresh tunes in this coupling of "And It Still Goes" and "Fiddle Dee Dee." Top deck, with Larry Noble and a chorus to chant the lyrics, is a smooth flowing romantic ballad that has loads of winning potential. Vocal refrain on the side is excellent, as is the instrumental work in the background. The flip, from the Warner Brothers flicker "It's A Great Feeling" bears ops avid attention too. This rendition, with chirp Claire Hogan and the boys in the band, rates highly. Ops should take a look-see in this direction.

Record Reviews

"I Love You" (2:45)

"Paris Wakes Up And Smiles" (2:18)

AL JOLSON
(Decca 24665)

● The ever-lovin' Al Jolson comes up with a pair of sides from the Irving Berlin click "Miss Liberty," offering the vocal splendor of "I Love You" and "Paris Wakes Up And Smiles." While Al's widespread popularity continues to grow in ever increasing numbers, his rendition of these ballads doesn't rate as highly as several other platters around. Tempo of both sides is slow, with the Victor Young ork lending an effective musical backdrop. The wax won't stop traffic—it should hold its own though.

"Single Saddle" (2:46)

"Gather Your Dreams" (2:50)

THE MILLS BROTHERS
(Decca 24656)

● The vocal harmony of the Mills Brothers is shown to excellent light on this coupling tagged "Single Saddle" and "Gather Your Dreams." Top deck is a side that bears close attention—the disk is rendered in top notch manner from start to finish and might prove to be a hot "sleeper." Music ops should be familiar with this tune since it has been around for some time now. The flip has the vocal combo back again on another top ditty. It's a slow, romantic ode, superbly performed from start to finish. The disk is hot—ops should get it.

"A Sunday Out In The Country" (3:01)

"Roseanna" (2:57)

FREDDY MARTIN ORCH.
(RCA Victor 20-3484)

● Pair of sides by the Freddy Martin ork, with the refrain of "A Sunday Out In The Country" and "Roseanna" coming at music ops. Vocal work on the pair Merv Griffin is fair enough, and should satisfy the many Martin fans. Both tunes are done up in ultra sweet style, with the tempo rolling along at a moderate clip. Wax won't stop traffic—it should hold its own tho.

"Now That I Need You" (3:15)

"Follow The Swallow To Hide-A-Way Hollow" (2:27)

VERA LYNN
(London 459)

● Top plug from the Paramount flicker "Red, Hot & Blue" gets a fairly nice sendoff here by thrush Vera Lynn. Her vocal work on "Now That I Need You," with the Bob Farnon ork lending musical assistance, makes for pleasurable moments of musical listening time. Tempo of the ballad is extremely slow here, altho the excellent musical backdrop more than makes up for that. The flip is a novelty ditty with the lyrics playing around the title. "Now That I Need You" is the side to ride with.

SLEEPER OF THE WEEK

"I'll Keep The Lovelight Burning" (2:41)

"My One And Only Highland Fling" (3:00)

DICK HAYMES
(Decca 24654)

DICK HAYMES

● Sure to catch on and go like wildfire is the latest Decca winner by balladeer Dick Haymes. Dick, possessing one of the smoothest vocal styles around really goes all out on this tune, and turns in a superb bit of vocal grandeur. Titled, "I'll Keep The Lovelight Burning," music ops and fans alike

should be hearing loads of this in the very near future, via a tremendous plug campaign. Ditty is a fresh Benjamin-Weiss melody that makes you sit back and relax as you listen to it. Dick's velvet like purring of the glowing lyrics makes for wonderful listening pleasure from start to finish. It's a dreamy ballad that seems certain to have the moon-in-June kids swaying gently as they dance to the musical refrain. Vocal aid is offered by The Tattlers who turn in a brilliant bit of harmony on the side. On the other end with "My One And Only Highland Fling," Dick is joined by Dorothy Carless to offer a smart rendition of this current pop favorite. This version should boost the popularity of the tune immensely. "I'll Keep The Lovelight Burning" is a cinch to clinch with phono fans throughout the nation—music ops should climb on the bandwagon.

"Homework" (2:57)

"Only For Americans" (2:27)

THE ANDREWS SISTERS
(Decca 24655)

● More wax from the click "Miss Liberty" score, with The Andrews Sisters on deck to offer "Homework" and "Only For Americans." Top deck is currently catching on with many music ops—this rendition, with the gals offering their vocal best, should find wide favor. The flip is just what the title indicates, a merry piece of music, with the lyrics weaving about the title. Ork backing by maestro Vic Schoen rounds out the wax effectively.

"Holiday" (2:55)

"Hali Ha'i" (2:48)

BUD BREES
(Capri 2000)

● Here's a side that definitely is labeled "sleeper." Well loaded with the material that makes for juke box winners, piper Bud Brees steps to the mike to offer a terrific tune in "Holiday." Coupled with the Paulette Sisters and the Joe Leahy ork, the platter takes on a more attractive glow. It's a smooth, flowing ditty that should win wide praise from music fans and ops alike. The flip has Bud offering "Bali Ha'i" in effective mood. Top deck is a winner!

"Love Is A Beautiful Thing" (2:52)

"Send Ten Pretty Flowers To My Girl In Tennessee" (2:48)

THE UNITONES
(London 461)

● Pair of sides music ops may care to use as filler items are these offered by The Unitones. Titled "Love Is A Beautiful Thing" and "Send Ten Pretty Flowers To My Girl In Tennessee," the vocal group display their harmony on these songs in effective manner. Top deck rolls along in bright tempo, while the flip maintains the tempo and weaves about the title. Wax is there fore the asking—music ops take it from here.

"Oh, You Beautiful Doll" (2:40)

"Sweet Jennie Lee" (2:36)

MR. GOON BONES AND MR. FORD
(Crystalette 605)

● Pair of novel tunes that have loads of winning potential are these rendered by Mr. Goon Bones and Mr. Ford. Wax, titled "Oh, You Beautiful Doll" and "Sweet Jennie Lee" is done up in pleasant manner by the combo, with the refrain of the Hammond organ and bones making for top listening time. It's a disk that rates ops avid attention.

"Oh, You Sweet One" (2:25)

"Now! Now! Now! Is The Time" (2:28)

THE ANDREWS SISTERS-RUSS MORGAN ORCH.
(Decca 24664)

● Here's one for music ops to keep their eyes peeled for. It's The Andrews Sisters and maestro Russ Morgan, teamed on an oldie that seems certain of catching on. Titled, "Oh, You Sweet One," the ditty gets a fresh twist by Russ and the gals, to set the stage for some torrid coin play. Vocal honors are split on the side, while the Morgan ork back in top notch polka time. The flip keeps in the polka vein, and has the team coming back with another equally brilliant waxing in "Now! Now! Now! Is The Time." We're betting on the top deck.

"I'm Oh! So Lonesome Tonight" (3:04)

"I Wear A Saddle On My Heart" (2:42)

ARTIE WAYNE
(Superb 500)

● The vocal splendor of piper Artie Wayne is easily shown in excellent light on these sides titled "I'm Oh! So Lonesome Tonight" and "I Wear A Saddle On My Heart." Top deck is a smooth romantic ballad, performed in top vocal manner by Artie. His captivating vocal work on the side should be enough to boom this disk. The flip is a cute item that might catch on. Lyrics flow about the title, with the tempo slightly sprightly. Top deck gets the edge here.

"When Did You Leave Heaven" (2:53)

"A Wonderful Guy" (2:50)

BUD BREES-CHARLOTTE SCOTT
(Capri 2004)

● First wax on this label turns out top notch, with Bud Brees and Charlotte Scott featured on "When Did You Leave Heaven" and "A Wonderful Guy." Top deck has Bud delivering a smooth vocal performance on an excellent ballad. The ditty is bound to be among the top popular items in the near future—this rendition is certainly a hot one. The flip has Miss Scott wailing the attractive lyrics of this click ditty, in strong resounding tones that score. Ops should listen in.

They cut four sides, with the very pleasing 4 Heartbeats on the vocal and as fine a bunch of bandmen as could be. . . . Every take sounded like a good thing to us, but on a couple of the tunes, the boys kept trying four or five times. . . . When Sonny and Russ agreed it was right, brother, it was. . . . That old retrenchment, hard-times-has-got-us blues is becoming the most familiar, and painfully so, tune out this way of late, despite several outfits moving into larger, more luxurious quarters. . . . One independent appears ready to consolidate by withdrawing from national headquarters location, with plans reportedly to farm out local distribution and the top exec concentrating on Eastern operation. . . . Modern Distributors, across the street, is handling Kem and Scoop for Pollack, in addition to Modern, Coral, Savoy, Bop and Sittin' In', whose headman Bobby Shad is in town on a biz and pleaz trip. . . . Mike Kurlan and Jack Allison really talked up Jules Bihari's new 19-year-old Houston find, Little Willie Littlefield, whose first release of "It's Midnight" on the Modern label sounds like No. 1 chart material.

SEE PEAK ATTENDANCE AT FORTHCOMING NAMM SHOW

Members Of All Phases Of Music Industry Expected To Be On Hand. 1949 Show To Feature Largest Number Of Exhibitors

Music Ops Plan Attending Annual Convention

NEW YORK, July 7—One of the year's biggest expositions will open here on July 25 and run through July 28. It is the Music Industry Trade Show and Convention, which will occupy nearly seven floors of The Hotel New Yorker and the adjoining Manhattan Center. Between 7,000 and 8,000 members of the music industry are expected to attend.

On exhibition for the benefit of the trade will be every known type of musical merchandise, pianos, organs, radios, phonographs, television, records and related items. A number of important new products are expected to be unveiled.

According to William R. Gard, executive secretary of the National Association of Music Merchants, sponsors of the Trade Show, this will be the first really "normal" music industry meeting since 1940. After manufacturing restrictions began in 1941, the war-time and reconversion problems limited sales and introduction of

new products. This year's Trade Show, Gard predicts, will find spirited competition for sales among all exhibitors, as well as careful shopping by more than 5,000 merchants in attendance.

A total of 241 firms will exhibit their merchandise, Gard said. More than 74,000 square feet of exhibition space will be occupied in the Hotel New Yorker and Manhattan Center.

Attendance at the exhibition and the concurrent business meetings of various trade groups in the music industry will be limited to members of the industry.

In checking with the accommodations bureau for the convention at the Hotel New Yorker, it was learned that requests for room reservations continued to pour in from all sections of the nation. Spokesmen for the NAMM convention committee urgently stated that all reservations for exhibit space and room reservations should not be delayed, and should be made directly to the NAMM headquarters in Chicago, 28 East Jackson Blvd.

Buddy Johnson Visits With Jackie Robinson As New Platter Wins Praise

NEW YORK—Bandleader Buddy Johnson presents Jackie Robinson an autographed copy of his Decca record, "Did You See Jackie Robinson Hit That Ball?", and receives in exchange an autographed baseball from Jackie. Buddy's Decca disc of the tune, which he penned himself as a tribute to Jackie, is currently sweeping the country and should be one of the biggest hits of the year.

Chides Disk Biz — Sales Zoom Upward

CHICAGO—Lee Egalnick, the poet-laureate of East 63rd St., walked off with top honors this past week in the merry-go-round formally known as the phonograph record business, via a letter mailed to his Miracle Record distributors.

Undoubtedly one of the funniest pieces of literature we've had the pleasure of reading, Lee kidded about the poor conditions existing in the record business, with the net result that Lee's disk sales zoomed with most distributors during the week.

Excerpts from Lee's magnificent literary genius follow:

"It has been some time now, since I have written you to give you some of my sage advice on 'Why The Record Business Is So Great.' (If you get a chance to go into the grocery business, don't be a Schmoie, grab it!) . . . The above may be quoted to newspapers, magazines, radios and television stations without my prior permission. You can also give it to anyone writing

a psychiatric study of record manufacturers . . . In the past couple of weeks we have sent you some new samples. If you don't have anything to do in the next six or eight months, would you be kind enough to listen to them . . . In lieu of a booth at the N.A.M.M. convention, I will be at the third stool of the bar at the Hotel New Yorker . . ."

Lee continues, "While I have your avid attention for a moment, may I say that Memphis Slim's new number is really going great guns. Those of you who are enjoying its success and ordering it accordingly may now step out for a short beer. To those of you who are ordering it like it had B. O., may I ask what it takes to have you consider it a good number . . . Needless to tell you that business as a whole has been a little off. If that doesn't cop the honors for the understatement of the year, nothing will."

(Editor's Note: We're bettin' Lee gets the Pulitzer Prize for the letter—it just can't miss!)

RACE DISK O' THE WEEK

"I Challenge Your Kiss" (2:49)
 "Donkey Serenade" (2:00)

THE ORIOLES
 (Jubilee 5008)

THE ORIOLES

● Offering one of their most outstanding sides ever yet cut, The Orioles come up with a great winner in this recording of "I Challenge Your Kiss." The ditty, a sweet, soft ballad, is offered in The

Orioles' own inimitable vocal style, that has won them such wide acclaim throughout the nation. This disking is certain to find a top spot in any juke box. The vocal refrain of this side makes for easy listening, and is most relaxing. Tempo of the tune is slow, with the group displaying their excellent vocal harmony in tones that add up to juke box coin. It's a platter that will find a tremendously favorable reception in most any location. On the other end with "The Donkey Serenade," the group come up with one of the most unusual and novel arrangements of this famed tune ever yet heard. This side has tremendous possibilities of clicking—it's that good. The platter is a blue ribbon winner for music operators—load up by the boxful!

"It's Love" (2:42)
 "Put It On The Cuff" (2:53)
 GEORGE HUDSON ORCH.
 (King 4300)

● George Hudson's "Modern" music is something that is bound to win many a fan. It's got just a tinge of bop in it, but, at the very same time, it's most completely danceable, even for old-timers who like their music sweet and low. There's something about this ork that's gonna win them lots and lots of friends. And, on the topside, with Danny Knight in gorgeous voice piping the lyrics to this very lovely ballad, "It's Love," Maestro Hudson and his crew cut a side of wax that has every possibility of clicking big wherever featured. On the flip, "Put It On The Cuff," the Hudson crew display their instrumental artistry and should win plenty of grand support for this wax. It's one disk you can buy by the boxful.

"Fare Thee Well My Baby" (2:20)
 "I'll Remember You" (2:12)
 CECIL GANT COMBO
 (4-Star 1339)

● Always sure to please, comes Cecil Gant, his piano wizardry, and a combo behind him to turn out some of the best wax produced and, as far as juke box ops are concerned, speedy spinning wax timed perfectly for the boxes. With what we believe is the topside, "Fare Thee Well My Baby," Cecil just simply goes to town in a well balanced disk that gives everything the listener wants to hear and, at the same time, holds the spinning down to 2 minutes and 20 seconds, which means a faster nickel for every play. On the flip, "I'll Remember You," Cecil slows down the tempo with a sentimental ballad, but adds his great piano and his fine piping to make this a grand hunk of wax. Just listen in to this platter.

"I Surrender Dear" (2:55)
 "Love Walked In" (2:50)
 ERROLL GARNER
 (Savoy 701)

● If you think you've heard anyone ever before rattle the 80's, then just listen to the piano wizardry of Erroll Garner in this piano platter and, if you like great piano music,—you're gonna jump right out of your seat and applaud. There's little difference between topside or flip in this disk. Whether it's, "I Surrender Dear," or "Love Walked In," it's the gorgeous fingering of the 88's that makes this disk outstanding. If you have those dim lit spots where they like piano music, latch on.

"Down By The River Side" (2:31)
 "My Lord's Gonna Move This
 Wicked Race" (2:32)
 SISTER ROSETTA THARPE
 (Decca 48106)

● We've always been one of Sister Rosetta Tharpe's fans and with this new platter we just simply bow to the "Queen of the Spirituals" as she sings and plays two numbers that are gonna zip coin into many a juke box. On the topside, "Down By The River Side," with The Dependable Boys and the Sam Price Trio to background her, Sister Tharpe is in gorgeous voice, in her famed lively tempo and laughing, happy rhythm, and sells the tune right over the top. On the flip, Sister Tharpe, again with this fine background, goes 'way out to make this tune just as great as the topside. In fact, there's no topside in this disk—but plenty of nickels, dimes and quarters pressed into it for those juke box ops who feature spirituals.

"Dream Girl" (2:58)
 "Without Your Love" (2:25)
 LIONEL ROBINSON
 (Gotham 187)

● Lionel Robinson comes in as a new figure in this disk parade and one that should be watched for the very nice job he does on this platter. On the topside, "Dream Girl," with the orchestra conducted by Doc Bagby, Lionel does a very fine and careful job of singing this tune and holds the metro thruout. It's good voice and a very well balanced platter. On the flip, "(I Can't Go On) Without Your Love," Robinson again ties into a slow and sentimental ballad. The opening of this disk shows off the instrumental efforts of the Doc Bagby crew to good advantage. This is one side that gives the baritone piper a chance to demonstrate his voice and should win him a very fine following. Listen in.

"Rocky Mountain Blues" (2:37)
 "West Coast Baby" (2:35)
 JOHNNY TAYLOR
 (Blue 103)

● Pair of sides which music ops should look into are these offered by Johnny Taylor and his boys. Top deck, tagged "Rocky Mountain Blues," is a moody blues ballad, with Johnny wailing the sentimental lyrics in strong tones that satisfy. The flip is a jump blues number which the group handle in top notch manner. Music ops in the market for some good blues should look into these duo.

Mindy Carson Welcomed To RCA Victor

NEW YORK—New RCA Victor singing star Mindy Carson gets plenty of helping hands from (left to right) balladeer Bill Lawrence, recording director Charles Grean, and musical director Henri Rene. Mindy and Bill, RCA Victor's bright new entries for swift success in the recording derby, are currently doing mighty well in other fields too. Bill somehow manages to do a CBS broadcast with Arthur Godfrey every morning, his own "NBC Supper Club" program each night, and still finds time for two more performances nightly as the star of the show at the Hotel Astor Roof, this city. Mindy Carson is currently making her solo night club debut at the famed Copacabana in New York, with initial reviews hailing the lass widely. Her first RCA Victor platter, "One More Time" and "Twelve O'Clock And All Is Well," is off to a sensational start, with initial orders for the disk indicating a big winner for Mindy.

"Folk" and "Western" Record Reviews

"Tellin' My Troubles To My Guitar" (2:32)

"Try To Understand" (2:42)

JIMMY WAKELY

(Capitol 57-40187)

JIMMY WAKELY

● There he goes again, Jimmy Wakely, with another platter that is sure to push its way right up the parade to the very top spot from the listening pleasure it gave this reviewer. Just simply can't

hold this boy down when he gets that guitar in his hands and lets go with his gorgeous pipes. On "Tellin' My Troubles To My Guitar" Jimmy clicks off one of the very finest cuttings heard in many and many a moon and does the tune up brown, but brown. It's a very beautiful ballad and the group that backgrounds him comes into the disk to perfectly harmonize with him and make this one of the very best balanced of platters heard in some time. On the flip, "Try To Understand," Jimmy goes into a slow tempo tear jerker, but, with the same fine Wakely voice to sell the lyrics. It's the topside we're wild about. So just grab a boxful and spread 'em around—they'll bring in the coins.

"Square Dance Polka" (2:16)

"Yodeling Bird" (2:30)

ROSALIE ALLEN

(RCA Victor 21-0072)

● Rosalie Allen with The Black River Boys to background her turns out a speedy tempoed polka which has all the earmarks of "possibilities" pressed into it, "Square Dance Polka." It's quite a mixture of square dance calling and polka timing and turns this speedy spinning disk into something that is rather unique. On the flip, "Yodeling Bird," Rosalie demonstrates her great yodeling prowess and wins lots of applause from this reviewer for the way the gal can yodel, tho we don't think this side measures up to the topside of the platter. We're for, "Square Dance Polka."

"Honkey Tonkin" (1:52)

"Last Night I Heard You Crying In Your Sleep" (2:34)

MADDOX BROTHERS AND ROSE
(4-Star 1322)

● Brother, just grab yourself a listen in to "Honkey Tonkin" as done by the famed Maddox Brothers with Rose to chirp the melody and you're listening to one of the very brightest cuttings you've heard. What's more, just note the speedy spinning time of this disk, 1 minute and 52 seconds and, at the same time, a very, very well balanced hunk of wax from any standpoint. They call Rose "The Sweetheart of Hillbilly Swing" and she certainly deserves the title with this cutting. On the flip, comes a slow moving lament, but unique in the fact that Rose simply laughs the side into grand satire so that this side, too, has plenty on the ball. Here's one disk you can buy by the boxful.

"How Long" (2:39)

"Comes A Time" (2:46)

HAPPY WILSON
(Decca 46171)

● Happy Wilson and The Golden River Boys cut two typical hillbilly sides here that are sure to please the people up in the mountains and many down in the plains. It's true hillbilly music. His topside, "How Long," is one of the neatest ballads in slow and sentimental style heard in some time. On the flip, "Comes A Time," Happy speeds the tempo just a bit and his clear, sharp voice rings out to give this tune a new meaning. This is a disk you've got to listen in to.

"Tennessee Polka" (3:20)

"I'm Throwing Rice" (2:55)

RED FOLEY

(Decca 46170)

● Always dependable, Red Foley comes thru with another grand hunk of wax. On the topside, a tune that has won many and many a listener, "Tennessee Polka," in slow spinning time, tho a very well balanced platter thruout, Red cuts loose with some really grand vocalizing and, at the same time, gets marvelous backgrounding from the band behind him to turn this popular polka into one of his very best sides. On the flip, "I'm Throwing Rice (At The Girl I Love)," Red once again shows off his tonsiling, but this time in slow and sentimental mood and gives this tear jerker just a bit more background music than is ordinarily found in this sort of cutting. Just listen in.

"You've Been A Bad, Bad, Bad Little Girl" (2:50)

"Oh, That Naggin' Wife Of Mine" (2:45)

FARLEY HOLDEN
(King 800)

● Here's someone to keep your ears open for from now on in, Farley Holden, who cuts two of the liveliest, singiest sides heard in a long time. On the topside with, "You've Been A Bad, Bad, Bad Little Girl," a lively, toe tapping tune, Harley goes right into some grand piping and gives this simple little tune about all that it will ever get from anyone. On the flip, "Oh, That Naggin' Wife Of Mine," Harley cuts some comical wax in grand voice thruout but, we thought, just a bit too long.

"There'll Come A Time" (2:33)

"Saturday Night Boogie" (2:40)

AL DEXTER
(Columbia 20593)

● Al Dexter and his Troopers, always a favorite with the juke box ops, cuts two sides here that should win him the applause of his many fans 'round the countryside. In very nice voice and with a lively tempoed tune to work on, Al cuts, "There'll Come A Time," for well balanced listening pleasure. It's got good rhythm and the backgrounding of the Troopers helps this side tremendously. On the flip, "Saturday Night Boogie," Dexter and his Troopers go into an instrumental which will probably leave some of the listeners cold, but, which should meet with approval of his fans.

New Indie Label Bows Into Disk Field

NEW YORK—Dagmar Van Haur, formerly associated with Dial Records, announced her entry into the record business via Ivory Records this past week.

The Ivory platter, with headquarters in New York, has already set up nationwide distribution, with their first release scheduled to go out shortly. Featured on this release are the Do Ray Me Trio, famed for their smash Commodore recording of "Wrapped Up In A Dream." Sides cut by the group are "Only One Dream" and "Tell Me You Love Me."

Miss Van Haur disclosed that the Do Ray Me Trio had been signed to an exclusive recording contract with the plattery. List price for the label has been set at 79c.

Coral Adds Folk Singer

NEW YORK—Coral Records, Inc., the Decca Records subsidiary, announced the signing of 20 year old Kenny Roberts, talented folk singer of Cincinnati's radio station. WLW. Roberts makes his wax debut with a song written twenty-three years ago, "I Never See Maggie Alone." With the signing of Roberts, Coral continues to add to its ever increasing versatile talent roster.

Kay Starr Visits With Ray Anthony

NEW YORK—Believe it or not, but that's Capitol Records' "Queen of the Blues," glamorous Kay Starr, banging away at the drums with Ray Anthony's band in the Cafe Rouge of New York's Hotel Statler. The trumpeter of course, is none other than young maestro Anthony himself, whose current Capitol dishing of "Velo" and "Darktown Strutters Ball" is currently gaining in popularity. The Anthony band, incidentally, is being hailed as the successor to the throne of the late famed Glenn Miller. Thrush Kay Starr is in New York as the star of the Chesterfield Supper Club, while her Capitol recordings continue to satisfy her wide bevy of music fans.

RCA VICTOR SET WITH 49c LIST PRICE DISK IN LOW COST RECORD FIELD. FIRM TO REVIVE BLUEBIRD LABEL. FIRST RELEASE DUE IN AUGUST

Plattery Also Reveals Start of Intensive Merchandising Program In 45 RPM Field

NEW YORK—RCA Victor Records will enter the low-priced record field shortly by reviving their Bluebird label, the company name prior to the war, it was learned this past week.

While it had been generally rumored throughout the trade in recent weeks, that RCA Victor would make known their entry into the cheaper platter market, there was much discussion by RCA Victor executives as to what the label would be called and at what price their disks would be sold for.

RCA will sell their new Bluebird platters at 49c list, rather than the 39c price that had been considered.

While distribution plans for the Bluebird label were not announced by the plattery, it was reported that RCA Victor will handle the records thru their own distributors. Other majors in the low-priced disk field have deviated from this course, with

Decca's Vocalion using independent distributors and Columbia's Harmony label being handled by Eli Oberstein's Varsity record plattery.

First sides to be issued by the recording company on the Bluebird label are expected to be out during the month of August. The firm is expected to make an announcement concerning their talent and material plans for the Bluebird label in the near future.

Meanwhile, RCA Victor revealed new 45 rpm instruments and records to support a more intensive merchandising campaign of their 45 rpm system. The firm's plans to intensify its efforts on the 45 rpm system were announced following a review of the company's campaign to launch the new system.

In outlining the second phase of the 45 rpm campaign, Paul Barkmeier, general manager of the RCA Victor Record department, indicated that the emphasis would be placed on accelerated and more aggressive and ingenious merchandising of both the players and records. "We deliberately, and for good reasons," said he, "started out in low gear. We had to do a job of clearing the decks. We did not want to stampede either the dealer or the consumer into acceptance of our new system. Now, however, we have reached the point where we can bring our merchandising guns to bear."

Barkmeier indicated that the next step in the inventory picture would be one designed to keep 45 inventory, at least, in a healthy state. "None of our distributors," he said, "are loading dealers with 45 inventory, and we will soon be ready to launch our 45 Triple S Delivery System on 45 rpm hits. This, as has been announced, is a test project, designed to speed delivery of hit records on 45 so that dealers can capitalize on the demand when it is strongest and increase turnover of inventory."

Further steps are being taken, too, to stimulate the already effective selling job being done by dealers and their salespeople, said Barkmeier. In this connection he announced a new technicolor training film, produced at a cost of \$25,000, which in turn will be shown to dealers and their salespeople all over the country. RCA Victor sales crews will barnstorm the film in much the same manner as they made the initial 45-rpm demonstrations to dealers last March.

NOV. 7, 8, 9, IN CHICAGO SET FOR MOA NAT'L MEET

Stevens Hotel Probable Site of First Nationwide Meet of Music Operators of America. Juke Box Leaders Give Warm Approval. Look for Biggest Gathering in Automatic Music History

NEW YORK — After agreement among officers and members of MOA (Music Operators of America) the organization of all the nation's local and state juke box associations, as well as independent juke box ops, dates have been set for the first national meeting of the organization, November 7, 8 and 9, 1949, with the probable site to be the Stevens Hotel, Chicago.

Juke box leaders who were informed of this fact greeted the news very warmly. Some of the leading phono manufacturers have already come to the front to state that they are already planning to attend and that they will also have booths at the show. This is to be an outstanding meeting, according to MOA members, and will take in all phases of the music industry.

Leading suppliers have been invited, as have artists, bands, publishers and all others engaged in having the nation's juke box operators interested in their wares. This is to be, according to members of MOA, the first meeting exclusively conducted for the automatic music industry.

General belief among such leaders as Al Denver, president of the Automatic Music Operators Association of New York City, is: "This is one meeting where every one of the nation's music operators' associations as well as every single juke box operator in the country can come together and listen to discussions regarding their own business.

"We feel certain," Denver continued, "that the warm reception which greeted the agreement of these dates will prevail right thru the meeting itself and that this will be the largest meet in the history of the automatic music industry."

Booths will be arranged so that those manufacturers who are interested in the music business of this industry will have the opportunity to display their products.

At the same time a series of business meetings is being arranged with well known leaders of the juke box industry to act as speakers. Many of these men will have their first oppor-

tunity to address a national group of juke box operators.

Music operators thruout the country will have the opportunity to meet and discuss their own affairs, MOA leaders state.

George A. Miller, president of the California Music Operators' Association, Oakland, Calif., and who is also National Chairman of Music Operators of America, agreed to the above dates as well as to the first general details of the meeting to be held after much long distance telephone discussion as well as correspondence with all members of the Board of Directors of MOA.

It is expected that a large banquet will be held in Chicago at the close of this first national meeting of MOA. Leading artists in the city at that time are sure to offer their services to the nation's juke box operators gathered together in one spot for the very first time to hear them in person.

For the artists, publishers, record manufacturers and distributors, as well as suppliers and all others identified with the automatic music industry, this is one of the most outstanding opportunities ever offered for them to meet their customers in one central location.

Chris Novelty Co. Appointed Distributor For AMI Phonos

BALTIMORE, MD.—Chris Novelty Company, this city, has been appointed distributor for AMI phonographs and accessories, according to an announcement by John Haddock, president of AMI, Inc. The distributing firm will cover the state of Maryland and the District of Columbia.

Chris Christopher, head of the firm, is one of the most progressive and outstanding coinmen in the nation, having established a reputation for record sales in his territory for other manufacturers.

"We are confident we can cover our territory and establish a high record of sales with music operators. The reason for our faith is that we have what we believe is the finest phonograph on the market today, and our sales staff is sufficiently experienced and large enough to cover the territory completely. We shall maintain a complete service staff to work with the operators, as well as a completely

stocked department of parts," stated Christopher.

"We are most happy to announce the appointment of Chris Novelty Company as our distributor," stated Haddock, "as we consider this firm as one of the leading distributing firms in the nation."

North & South Carolina Ops Form Carolina Music Ass'n

T. B. Shooter, Pres. No. Carolina Area; H. C. Keels, Jr. Co-Chairman So. Carolina Area; Mike Malkin, Secy-Treas. Both States. Next Meet July 14 At Florence, S.C.

FAYETTEVILLE, N. C.—After three preliminary meetings over a period of the last three weeks, music machine operators from the states of North Carolina and South Carolina have formed a two-state association, which will be known as the Carolina Music Association.

At its last meeting, coinmen from these two states elected officers, and drew up a code of general policies, which they state will be followed to the letter.

T. B. Shooter, Lumberton, N. C., was elected to the office of president covering the North Carolina area, and H. C. Keels, Jr. was elected as co-chairman covering the South Carolina area. Michael Malkin, Fayetteville, N. C., was elected as secretary-treasurer for the association, including both states.

Next meeting was scheduled for Thursday, July 14, at Florence, S. C. At this meet, members and guests will be presented with additional plans and suggestions to help further

the cause of profitable and ethical operations of music machines.

The Code of General Policies set forth at the meet, and which will be enlarged and improved as the association continues, stated:

1) An association of Music Operators formed for the purpose of helping one another and cooperating in endeavors mutually beneficial to all operators in the States of North and South Carolina.

2) It will be the primary function of the Association to set up procedures and policies, by means of which operators can work in unison and harmony. These procedures will eventually help each operator to realize a legitimate profit in his business.

3) Initiate the following two procedures immediately. It is important that no deviation be made in these plans. The success of the organization will depend in a large measure on how closely each operator will follow the plans. Each location, no matter how

good or how bad must be treated in the same manner.

A. Request that ALL locations pay ALL licenses and taxes pertaining to the phonograph in their location. These monies will be taken out of the machine first, and then the regular split will be made.

B. Request that all locations pay the operator 55c for each new record that is placed on the machine. This is the wholesale cost of the record to the operator. The record money will be taken out first and then the regular split.

C. When one location pays for the license and the time ever comes that you have to pull the machine, there will not be a refund made to the location. When this same machine is placed elsewhere later on, the license fees will again be asked for. In this manner all locations will always pay for licenses for their locations.

4) Each operator will guarantee not to place a music machine in the place of business where another operator has one, until a period of ninety days have elapsed. After this period, if he does go in, it will have to be on the same basis as outlined above.

5) No operator will sell a machine to a location that is occupied by another operator for a period of ninety days.

6) If a location should buy their

own machine, operators should not go into their place of business to service the machine. If they bring the phonograph to your place of business for repairs, then it will be up to the operator if he wishes to repair it.

7) Each operator will try to inform other operators of the general plans of this group, in order that the organization grow to that point where all operators in the States of North and South Carolina work in the same manner as outlined above.

EASTERN FLASHES

NEW YORK—Starting the season in unprecedented fashion, arcades and resort area locations thruout the East have shown an activity that surpasses anything in the way of receipts for a great many years. Reports from arcade owners and operators of shore and resort locations point the way to a banner '49 season.

Coinmen, in most instances, have enjoyed a break of continuous sunshine since opening day, Decoration Day; and many locations which opened for week-ends weeks prior to that holiday, were blessed with the best possible weather. A few isolated areas ran into some rainfall over some of the earlier week-ends, but overall, never in the memory of the oldest arcade owner, has a run of wonderful sunshiney weather prevailed over such a lengthy period.

There can be no question that the resulting good business is mainly due to this condition, but some of the old-timers point out that they believe some of the added business is a result of the times. "With money tight, and big spending a thing of the past," one arcade man stated: "Our business, which sells low priced entertainment, is the gainer. Whereas in the past years, families would spend week-ends and vacations at high priced resort hotels, today many cannot go for that kind of money. They take themselves and their families out for a day, and entertain themselves with moderate priced types of relaxation, of which the arcade and coin operated equipment gets its good share."

With the big Fourth of July holiday over, resort coin operators have stated they expected this good run of business to continue, particularly as the weather predictions indicated a good spell of clear sunshine. For years, arcade men have had to struggle to get their rent money up for the first installment on July, but this year the money is on hand, with some plus.

This boom in arcade and resort business is reflected in the amount of sales recorded by wholesalers thruout the country. In the case of the leading supplier of arcade equipment, Mike Munves, altho the season is over a month old he was just able to ship several important orders at the end of this week. Ordinarily, these customers would be unwilling to accept merchandise at this late date.

Although wholesalers state that they have been shipping standard type arcade machines, most of the orders were for brand new machines. This can mean, they point out, that arcades are not only adding equipment on their floors, but are replacing older and obsolete machines with currently manufactured equipment. "Evidently they have acquired some nice cash," stated one wholesaler. "I believe a condition of this kind will reflect in greater profits for arcade men, as the newer machines will not only dress up their locations, but bring in more customers who will spend more money. I look for the best arcade, shore and resort season we've ever enjoyed."

This sentiment is also prevalent among the coin operators themselves who we've heard from, and to whom whom we've spoken. Therefore, we are happy to report that there isn't one dissenting voice heard from even one arcade man in this area. It certainly appears that the 1949 arcade season will be a banner year for coinmen in this phase of the industry, which we are sure will reflect generally thruout the trade before the year is over.

Things were pretty quiet on coinrow, this week, following the Fourth of July week-end. The unusually torrid weather didn't help any either. Most operators relaxed for a few days following the holidays, claiming they needed a short rest. However, some of the wholesalers reported a pickup in their export biz . . . Harry Koeppel, Koeppel Distributing Company, shipped a nice order to Port Au Prince, Haiti, as well as making several good phono buys from coin companies in this area . . . Another distributor who shipped out of the country was Dave Lowy, Dave Lowy & Company. Dave reports that since taking over the Keeney cigarette vendor, he's lined up a number of substantial orders. Lowy covers the City of New York, Nassau and Westchester counties . . . Harry Berger, West Side Distributing Company, ships equipment to several South American countries, but this is no novelty for him, as the firm has developed quite an export business. It really must have been hot here, as we caught Berger without his jacket, and no tie . . . Which reminds us, the two classiest dressers, who are noted for the quality and novelty of their cravats, Ben Becker and "Senator" Al Bodkin, were on coin row recently, and neither wore ties. Looks like we'll have to report them to the Association for Promotion of Classy Cravats.

Chris Christopher, Chris Novelty Co., Baltimore, Md., appointed distributor for AMI phonos and accessories for the state of Maryland and District of Columbia. As distributor for Bally products in this area, Chris has run up a terrific record of sales, and looks for the same success with AMI's phono . . . Barney (Shugy) Sugerman, Runyon Sales Co., around the office during the heat wave, and altho he tells us he'd like to run off for a few days, has to stay around to take care of the local biz in phonos and games . . . Johnny Bilotta, Bilotta Distributing Co., Newark, N. Y., who recently shuttered Eastern Sales Co., Rochester, N. Y., informs us he is retaining a service and display at the Rochester address, and that all business is now being conducted under one firm, that of Bilotta Distributing. Johnny will take a few weeks away from biz, fishing thru the Thousand Islands. When he returns he expects to go into action in a big way.

Cincy Music Ops Assn. Plans Big Promotional Drive

CINCINNATI, O.—The Automatic Phonograph Owners Association, local music operators organization, have appointed a committee to get together to plan a big promotional drive to stimulate play on their phonographs. "We shall look over all plans submitted," stated Charles Kanter, president, "and go to work with all our efforts to put over the plan selected."

Selected to serve on this committee are: Sam Chester, chairman; Bill Russell of Westerhaus Company; Abe Salmon of Globe Games; and John Denhart of Able Sales Company. Charles Kanter will serve ex-officio on the committee.

It is hoped a plan will be ready to be submitted when the association holds its regular monthly meeting, Tuesday evening, July 12 at 9 P.M. at the Hotel Gibson in parlor "H."

The association has accepted for membership Simon Rissover, who operates the Midwest Automatic Music Company, and will look over the application for membership of a former member, Abe Villinsky, which will go before the Board for approval when it meets on July 12.

It was reported that William Fitzpatrick has purchased the route of Morris Kleinman.

Monte West On Road For World Wide Dist.

CHICAGO—Monte West, formerly with AMI, Inc., is now traveling the mid-western territory selling the products distributed by World Wide Distributors, this city, it was announced by Al Stern, head of the distributing firm.

Monte, as he is affectionately called, has a host of friends thruout the entire country, but is particularly well known in the middle west, which he traveled extensively, as well as having conducted an operation quite a number of years ago.

"Monte has been doing an excellent job for us," stated Stern. He reports that during his travels over the past four weeks, he has met up with many of his old friends, and strangely enough, has been seeing other coinmen with whom he has had no prior contact."

THRU THE COIN CHUTE

CHICAGO CHATTER

One of the hottest weeks of the year has just gone by and coinmen sure were happy to be able to grab those extra few days for the July 4 week-end. Many returned with the usual deep sunburns while others simply took it easy just lazing around and listening to the radio tell them about accidents, drownings, freakish weather, etc. All in all, everyone enjoyed being able to get in a few extra days of rest and it looks like the boys will be getting started going with a lot more zest as the holidays come to an end.

Hear that Gordon Sutton is moving to new quarters at Madison and Crawford and that his interest in the ice cream vendor is growing greater each day as profits keep going up . . . Bumped smack into Jackie Fields early one dawning at the Singapore with Jackie enjoying those famed ribs . . . Hugh McGarrity advises that he is going right ahead with his export biz. This is his first time in the exporting of coin operated equipment and Hugh has gone right over the top.

Lots of fun at Al Trace's opening at the Blackhawk with a gang of guys from the Bally at front tables enjoying themselves. Ray Moloney, Georgie Jenkins, Tommy Callaghan, Dan Moloney, Art Garvey, George Heusman, Otis Murphy and Chris Christopher of Baltimore on hand to make merry, too . . . best part of the evening being the jokes which Ray and Dick Bradley of Tower Records swapped in dialect with Ray now making it his business to learn a bit more of this dialectician business.

Herb Jones getting a kick out of reading away back when in some of Bally's old files and noting the very first games the firm produced—they started then with 10 balls for 1c and also 10 balls (later) for 5c—and the names of games which the firm used brought many a laugh to the boys who sat around and listened to them—and also many a reminiscent gleam . . . Charlie Ewing of Evansville sends us up a card from that fisherman's paradise in Newburgh, Ind., where he is spending a bit of time and on which he writes, "How's tricks? Slow as molasses and hotter than the hinges here. We would like to buy a beer. Best of everything. The Ewings." . . . Which makes us feel that everything's just okay with Charlie.

The board of directors of the NCMDA (National Coin Machine Distributors Assn.) will meet the third week in July with prexy Lou Wolcher (Advance Automatic Sales Co., San Francisco) to consider a full agenda for the organization and also to appoint a ninth member to the board of directors. The directors plan to discuss the four point program which was reported some time ago. (About that time the heat should be gone, so that the men can consider calling a general meet of all the distrib members of the association to start off the Fall of '49 biz with a real booming bang.) . . . Chicago Coin has closed down for the annual two weeks vacation, until July 18, but Sam Wolberg, Sam Gensburg, Aaron Gensburg and Sam Lewis are on hand. Ed Levin of Chicoin is reported down in Nashville for the balance of the week.

We've been reporting all about the cool and relaxing atmosphere over at United Mfg. Co. and how many of the coinmen who arrive in town always make it their business to get out to this plant for lunch (cooked by a really good chef) and also have some of that very outstanding atmosphere that comes into being when Lyn Durant, Billy DeSelm, Herb Oettinger, Ray Riehl and some of the other United staff gather 'round their neat bar to talk things over. This week the factory had a surprise visit from Hymie Zorinsky (cigar smoking champ of the nation, "never without a cigar") and, of all things, his son Edward. Hymie reported that Omaha was actually "cold" compared to Chicago and hurried back after a few days in this torrid town.

With David C. Rockola on his vacation, some of the boys over at Rock-Ola Mfg. Corp. are practising with every minute they can spare to get set for his return and some really fast action for "Kansas City shuffleboard." Mr. Rockola has been taking them over after almost every lunch hour and now the boys are eager to get back. Second prize winner is Art Weinand, who keeps close to coming ahead every so often on this game. If you've never played it, just drop over at this plant and learn how it's done. (By the way, that "Cry Babies" item we published some weeks back is still getting many an answer from coinmen, and most in agreement with it.)

Charley Pirie and Joe Batten over at Exhibit Supply Co. are very, very proud of that poll which won them the "oscar" for the "best arcade machine of the year" and, just to prove the authenticity of this poll conducted by *The Cash Box*, Charley reports, "Our Dale gun is still in production and has continued in production now for six solid consecutive months," which is something any factory can be proud of these days, believe you me . . . Georgie (The "G") Jenkins and Tommy Callaghan grabbed hold of me the other day to very impressively advise me (while Bill O'Donnell just stood around with a big, big smile and a batch of orders in his hand) that, "Our 'Champion' is proving the greatest one-ball ever built and has already, in the same comparable time, exceeded the orders we received for 'Citation.'"

Johnny Neise and Ed Vojack of O. D. Jennings advise that their factory closes down the first two weeks in August for the employees' annual vacation period. But, they tell me, all execs will be on hand to take care of whatever biz coinmen want to conduct with them . . . Gran'pa Eddie Smith in town with Mrs. Smith and all the many, many Smith brothers (and that ain't kiddin', there's a batch of 'em) proudly showing off his "world champion"—his grandson—and what a boy, what a boy . . . By the way, now that Eddie Smith is handling the Cliquot Club ginger ales and sparkling water in L. A., maybe that's the reason for that very, very intense conversation between him and Bob Waggener who is now with Lymo Industries. (Dear Bob: Can we expect to see Cliquot Club ginger ale vendors made by Lymo?)

Haven't been able to catch up with Lindy Force over at AMI this week, but, from what we hear, some more big things are brewing and that news will be soon coming out by the batch full . . . in the meantime got quite a kick out of Chris Christopher telling what a job he'll do with the AMI line in his territory . . . Chris just being named distrib by AMI . . . Some talk among ops here regarding the much discussed convention of MOA (Music Operators of America) . . . seems like the boys would like to attend and look forth to this all-music convention.

CALIFORNIA CLIPPINGS

With the summertime blues currently heavy on the local industry's mind, and that summer resort business a thing of the past or future, it may be unduly optimistic to report that California distributors, operators, locations, mechanics, etc., are somewhat relieved at the Legislature closing its session without passing any further repressive measures against amusement games . . . But it's a cinch that the outcome is a happier one than if it had been otherwise . . . Despite any prospects for improvement, things are dull enough at present to have warranted Jack Gutschall closing down his Washington Blvd. doors in favor of going into distribution of a "Motor Saver" car product . . . Another outfit to recognize the slack was Western Shuffleboard, whose Jack Millsbaugh decided to consolidate his operation in the San Diego plant and office, pulling out of L. L. Coin Row for the time being . . . Her friends and neighbors, as well as many an operator, will miss Mary Sims, her pleasant smile and regular fellow manner . . . But Mary assures us that she'll be seeing all of us on occasion when she makes trip down on behalf of Western Shuffleboard.

Summer slump or no, Luenhagen's remains a very busy place . . . You've darn near got to fight your way through the record-buying, cash-paying operators to get a word into Bill Luenhagen or Mary Solle . . . And is that bad? . . . We'd like to see more nice people with the same trouble . . . Aubrey Stemler's "Koffee-Bar" going full blast on his floor, and elsewhere too, Aubrey tells us . . . This heat wave suggests iced coffee, the one gizmo the machine doesn't have . . . Speaking of gizmos, saw the most ingenious shuffleboard getup yet at Sicking's in an unnamed board with elevators and lucite racks for pins on either end . . . Jack Simon, Jack Ryan and operator Harold Sharkey were engaged (but not lovely or using Ponds) in a spirited game on another, more orthodox board, when we dropped in . . . Wasn't a champ between 'em . . . Loads of Hercules boards being moved onto the Ray Powers floor under Nels Nelson's supervision . . . Seems the Bergstedts have left their Western Avenue distrib office and will be using space at Powers' temporarily as an operating base.

Shot breeze with Fred Gaunt in breeze outdoors General Amusement and learned that Bud Parr is at present concentrating on the Jem Wood board . . . Chatted with Mark Jennison, new Mills branch manager, who told us Charlie Fulcher, up to Oakland with family for holiday, is keeping pretty busy on the road selling Mills equipment . . . Found Walter Solomon at J. Peskin's a refreshing breath of cheer, with his "Things are fair" in contrast to all the hard-times talk . . . Walter was just back from a hot trip to Phoenix lining up Fall trade on AMI boxes . . . Joe Peskin is due back from Chicago about July 10 . . . Johnny Hawley has moved his game, box and operation biz from Washington Blvd. to 2845 Pico Blvd. . . Dannie Jackson, Sammie Donin and Georgie Warner had a live one when we dropped by, so we quietly went our way . . . Chicago Coin's "Bango," the game that really making a bang, in stock at Laymon's, Sicking's, Badger's and Luenhagen's and selling well out of all of them, we're told by the folks concerned and Phil Robinson, Chi Coin rep . . . On the Row: Glen McCarter of Beaumont, Glenn Hall from Redlands, Visalia's Ivan Wilcox, M. V. Conner from Downey, Edwin Gaffko of Colton, Ed McChesney from Las Vegas and Paso Robles' E. E. Simmons.

MINNEAPOLIS-ST. PAUL, MINN.

The 4th of July was here and gone, and the thermometer still hovering around the hundred mark. Operators that went away over the week-end are staying away until the heat wave breaks.

W. H. Pickron of Rock Island, Illinois, in town picking up some used equipment, and then going up north for a few days to cool off . . . Dave Ziskin of Silent Sales Company, Mpls. in Chicago for a few days on business . . . W. F. Suprenant of Red Lake Falls, Minn., in town for the day calling on the distributors . . . Ed Swanson of Moose Lake, Minn., in town and anxious to get back home away from the heat . . . Bob Henderson, former operator at Moose Lake, Minn., was accidentally killed last week as his car rolled off the highway. Bob sold out several years ago and just kept his scales which kept him busy.

Con Kaluza of Browerville, Minn., in Mpls. visiting his sick uncle who is seriously ill . . . I. F. Lafleur of Devils Lake, North Dakota, in Minneapolis last week to attend the funeral services of his uncle who died suddenly of a heart attack . . . Emil Sirianni of Eau Claire, Wisc., in Minneapolis for the day picking up records at the Hy-G Music Company . . . Len Roberts and wife of Esterville, Iowa, in town for a few days. Len has just bought a farm and is keeping himself pretty busy . . . Art Hagness of Grand Forks, No. Dakota, in Minneapolis for a few days doing some buying of equipment and phonograph records . . . Ernest Woytasseh of Cayuga, No. Dakota, drove in to Mpls., and after spending a few hours in town wished he had stayed at home.

Alvin Pence of the Automatic Piano Company, Mpls., is getting ready to leave for California with his family for a five week vacation . . . Hy Greenstein at Breezy Point over the week-end vacationing . . . So is Joe Belsler at the same spot . . . Lou Ruben at Liberman Music is expecting to pass out cigars any day now . . . So is Sam Sigel at the Hy-G Music Company.

HOW TO USE THE "C. M. I. BLUE BOOK"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter The C.M.I. Blue Book can only feature the market prices as they are quoted. The C.M.I. Blue Book acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. The C.M.I. Blue Book, rather than show no price, retains the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. The C.M.I. Blue Book reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: The C.M.I. Blue Book should be read as follows: First price listed is lowest price for the week: Second price listed is highest price. Where only one price appears this should be considered lowest price.

Bally CHAMPION is actually three great games in one. Players play coin after coin for Selections and Odds. Then, after pressing No. 1 Horse-Shoe Button, they play additional coins for Purse and Show Score Win Odds... for the fascinating "WILD" HOLES feature... for added Selections. No. 2 Horse-Shoe Button is pressed to "HOLD EVERYTHING" and again the coins go tinkling into the chute... for the big DOUBLE SCORE feature. If you thought Citation was a sensational money-maker, wait till CHAMPION starts working for you. Order CHAMPION today.
